

Lark Maytrix L. Mariano

Web Developer

I'm a former Technical Support Specialist at Land Transportation Central Office and Senior Computer Operator at Bureau of Fisheries and Aquatic Resources Central Office. I have an experience in TypeScript and JavaScript, and familiar with such moderate expertise in frameworks like Angular, React, and Node.js. I'm a quick learner and collaborate closely with clients to create efficient, scalable, and user-friendly solutions that solve real-world problems. I surely guarantee that I can be a great asset to your Respective Government Agency or Private Sectors.
